The unlocking skin is working in classic when ur at tutorials, but when you fight with real person its does not work... and when I start my ml his always black... pwdi bang tanggalin nalang ang log.in2x to make everyone happy. can not even create at the creator of pmt. What is the purpose of accessing? If only I can create, I will provide those without accounts. But this wasn't my only problem creating accounts. I can't create cash accounts please help me This should be a 100% ban if it works. Maphack is already a band early and that without ~1week reports you will be banned. Playing in new accounts with it against n4ps is useless. If you are so bad you can't win against those new players without hacks you should delete game. This should be a 100% ban if it works. Maphack is already a band early and that without ~1week reports you will be banned. Playing in new accounts with it against n4ps is useless. If you are so bad you can't win against those new players without hacks you should delete game. Don't come here to rage cause ur get ur ass to whores. Most people are quite high ranked on their main who only download this for fun. Actions: Joker Art Page 2 Best Community Ever! How do I install the mod a0k so sad its difficult to login. give me an account please "I'm not being served" when you sign in with any accountcreated on the server. Page 3 Wow Wow I need more from your site I need username and password platinmods Please help me. Help me.trailer in youtube has been so good, but username and password error Working very well thanks for the easy video to do it, I think there is a small incoming update soon I will be back' as soon as possible after trying I can not create an account... Is it just for Vip? Page 4 Unfortunately they are not VIP, so I can't create an account and all public ones are taken. So I can't play the mod. And if someone wants to come here and say "tHeN dOnAtE aNd BeCoMe ViP tO gEt An AcCoUnT", then fuck off. I don't have the money for this Unfortunately I'm not VIP so I can't create an account and all public ones are taken. So I can't play the mod. And if someone wants to come here and say "tHeN dOnAtE aNd BeCoMe ViP tO gEt An AcCoUnT", then fuck off. I don't have the money for it Não specifies ser vip ,se liga update please patch S.T.U.N. Page 5 Please send me the link. I'm new here. I want to try something. I don't know what I'm doing. Page 6 May 3, 2021 3 0 1 21 May 20, 2018 2 0 1 29 Indonesia Sep 30, 2020 8 6 3 21 kakao Nov 25, 2019 2 0 1 21 Singapore 1, 2021 3 0 1 16 Indonesian May 1, 2021 3 0 1 16 Indonesian apr 27, 2021 4 0 1 21 Vietnamese May 4, 2021 2 I couldn't see the obb file. And there's someone using it now? it works Reactions: Joker Art Page 8 When I enter the game every time I click to start they do not join a battle what I do can change king of avalon Page 9 The menu is too big for my phone (Glood version) So the skin unlock function only works to start a few games and then only in costum mode. Reactions: Tan22 I want tr6 but pass iş wront Page 10 I write a mistake during the game, there is still no sound of the game, what should I do? and the game crashes when I use the mod. functions but I want to play with these functions, because that's why I downloaded this mod. I from Russia,do not speak English @joker art just ask if or a smurf account is prohibited, can main account also get banned?, because first or even maphack with the game guard and I oated a smurfs account, but it was banned and I tried to oare my main account and also was banned, by the way in which oo the parallel universe causes I only have a phone. on the more the repond pas jolly page 11 @joker art just ask if or a smurf account and is banned, can main account also get banned?, why first or even maphack with the game guard and I oated a smurfs account but was banned and then stopped the mod, gameguardian deleted, and parallel space and when I returned to the app, to use my main account without tricks, but was forbidden cuales are las cuentas nuevas? reactions: joker art page 12 basket mod. do you need login and password? and the password was wrong?. use mod from lorazalora better without passing any username. mythical car in 3 days. This mod wasting my time. all we know in game moba need fast login to play. What a fool to create this mod. go to school to learn more. I thought in platinmod all mod apps create from pro moder. but who creates mod for this game should be shame and not create mod of more reactions: joker art trash mod. do you need login and password? and the password was wrong?. use mod from lorazalora better without passing any username. mythical car in 3 days. This mod wasting my time. all we know in game moba need fast login to play. What a fool to create this mod. go to school to learn more. I thought in platinmod all mod apps create from pro moder. but who creates mod for this game should be shame and not create mods more unpleasant to hear it. thank you for the council sir can u fixafter playing 10 min? Seriously im after freezing and login game blocked reactions: Raden I can't join the game yet loaded 100% A pregunta, the opción esa de "Drone view" por no funciona? The active y muevo eso que en teoría parathe view, but not funciona, if you need root or algo? A pregunta, the opción esa de "Drone view" por no funciona? Does the active y muevo eso que en teoría para increase the view, but not funciona, if you need root or algo? activate before battle please create an account for me Page 13 You can't enter lobby, always stuck here Device Restared 3x also placed game 3 times after reboot Porqué el juego if it puts in pantalla negra después que pasa 10 minutes, ya reinicie el celular y todo, la verdad es bastante molesto, por favor díganme que hay un solución para eso. Page 14 @Joker Art Enserio hermano, no me quejo que hayas hecho un mod de MLBB de hecho estoy más que agradecido, pero aún así molesta que apenas llevo jugando 10 minutes y el juego se pose en pantalla negra Basta, por favor intent resolver ese problema, y no soy el único Joker Art Please send an account ladies User: eljajajas19 Password: casmetro Únete a MLBB primero, te te que aparecer el sistema de logueo, pon el usuario y la contraseña donde se te pide placerla, luego le das a confirmar, y listo, ya puedes jugar. El mod errors? Lastimosously yes, on error es que si juegas más de 10 minutes if freezing Have you the solución? No. Otro consejo, si quieres usar el Dron view activarlo antes que inicie la partida. He won't let me make an account. Continue to ask for a user name and pass that CANT create. I love you thanks all workinh Sometimes it turns off with only map view on but that's good for my account alt erro no servidor help me please Jajajajajajajajaya ajjajajajajajajajajajajajjjjjjjj Page 15 The game is frozen every 10-15mins. Restart the device will NOT solve the freezing problem. pls solve the mod. The game freezes every 10-15min. Restart the device will NOT solve the freezing problem. pls solve the mod. No creo que nos haga caso, ya eso le van sayingalgunas personas, les va decir que sigan intent reiniciar el device or que esperen hasta que se descongele, hay que followr aguantando así or usar el mod de Lorazalora. شباب متو يبي ههر موبايل ليقند في اي بي بي بي ان س سيفتي اي اي بي ان ان س سي سيفتيفي اي ماي ماي ان اي ماي ان ان اي ماي اي اي اي اي اي اي اي اي ان ماي ماااااي اي ماماماي اي مان ان مامامان مااااان امان ان مااااااا
